

EMME Project Team

Brief Intro to Who's Who as we go forward

Principal Investigator and Coordinator:
Martin J. Dudziak, PhD
TETRAD Institute of Complex System Dynamics

Tanzania Team

Neema S. Sumari, PhD
Sokoine University of Agriculture
College of Natural and Applied Sciences Department of Informatics & Information Technology

Alcardo A. Barabitzte, PhD
Sokoine University of Agriculture
Department of Informatics & Information Technology

Joseph P. Telemala, PhD
Sokoine University of Agriculture
Department of Informatics & Information Technology

Luc P. Mwelange, PhD
Muhimbili University of Health and Allied Sciences

USA Team

Eugene Levin, PhD
Meharry Medical College
School of Applied Computational Sciences

Kevin Ciresi, MD
Intelligence Renaissance Industries

Pengfui Xue, PhD
Michigan Technological University
Numerical Geophysical Fluid Dynamics Laboratory, Great Lakes Research Center

Thomas Thundat, PhD
State Univ. of New York at Buffalo
Department of Chemical and Biological Engineering

Rachel Cereth Roman, RN
TETRAD Institute
